

Covid-19 Business Survey

The Enderby & District Chamber of Commerce would like to get your feedback regarding the impact of Coronavirus-19 on your business. Responses are confidential and will only be used as anonymous data sets; however, our results will be forwarded to Provincial and Federal agencies to help our region be represented so that useful aid and funding will be provided.

What is the impact of COVID-19 on your business?

By what amount has your revenue decreased: *(please include percentage and dollar amount)*

since Feb?

since March 15?

What challenges are you facing in restarting your business when restrictions are lifted?

Do you feel that your business has received adequate assistance from

provincial agencies?

federal agencies?

What would you require in order to be well-seated for resuming your business?

How can the Enderby & District Chamber of Commerce assist you during this time?

(examples include check-ins, assistance in forms/filing for funding, emotional health resources, advertising, social media development, online or remote business development etc)

Thank you for taking the time to answer this survey.
